Live Red Blood Testing

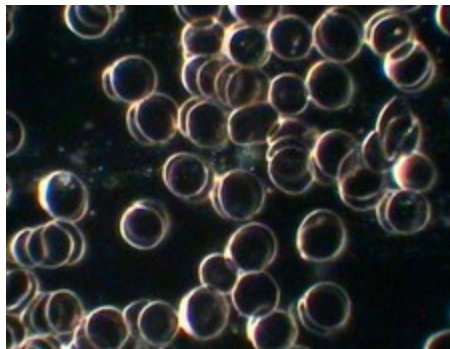

(Testing done July 23, 2008, by Peter Morrow C.L.B.A., Certified Live Blood Analyst)

Healthy blood of 43 year old male before talking on cell phone

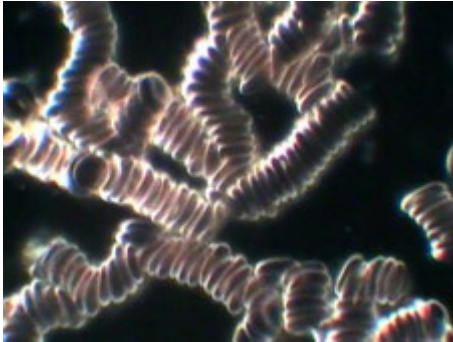

Blood after 1 minute on a Cell Phone

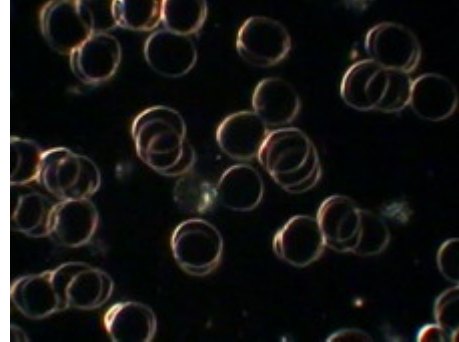

Healthy blood after 5 minutes on a Cell Phone with the Cell Phone Diode attached.

When **blood clumps** together, it interferes with the delivery of oxygen and nutrients to all the cells and organs of the body leading to **serious illness and disease such as, birth defects, hearing loss, MS, brain tumors, cancer, etc.**
